ADULT AND DISLOCATED WORKER PROGRAMS

PY 2019-20

1ST QUARTER
(7/1/19 -10/1/19)

BACKGROUND

The Workforce Innovation and Opportunity Act (WIOA) provides for a workforce system that is accessible to all job seekers, customer centered, and training that is job-driven. The Adult and Dislocated Worker programs provide training and employment services in the Orange County One-Stop Center system and are required partners. Under WIOA, partner programs and entities that are jointly responsible for workforce and economic development, educational, and other human resource programs, collaborate to create a seamless customer-focused One-Stop Center System that integrates service delivery across all programs to make it easier for workers to access the services they need to obtain skills and employment.

VETERANS' EMPLOYMENT-RELATED ASSISTANCE PROGRAM (VEAP)

PY 2019-20

1ST QUARTER
(7/1/19 -10/1/19)

BACKGROUND

Orange County was awarded \$500,000 by the California Employment Development Department (EDD) to offer services targeted to meet veterans' unique needs and occupational goals, with an emphasis on those who recently returned to civilian life. This is the ninth VEAP grant awarded to Orange County. The Project helps prepare Orange County veterans for careers in a variety of industries through education and employment assistance. The Project focuses on serving female veterans. Veterans can access training, supportive services, and job referrals unique to their skillsets and career goals.

SSA EMPLOYMENT PREPARATION PROGRAM (EPP)

PY 2019-20

1ST QUARTER
(7/1/19 -10/1/19)

BACKGROUND

The Orange County Social Services Agency (SSA) administers several different Welfare-to-Work Employment Programs. These Welfare-to-Work Activities mandate that CalWORKs recipients meet established work requirements with an end goal of unsubsidized employment. The clients served in these programs frequently have multiple barriers, which must be addressed if they are to have successful outcomes. The program is referral based.

In the EPP program, the participant gains exposure to the working world and its requirements through a planned, structured learning experience in a public, non-profit or private organization that occurs over a six-month period. During this time, 100% of the wage is paid directly to the participant.

KRA One-Stop Operator
1st Quarter Report PY19/20

K R A

April 10, 2019

The KRA Corporation
One-Stop Operator Quarterly Report

Time Period: January 1, 2019 through March 31, 2019 (third quarter).

The One Stop Operator activity was focused on the following activities for this quarter:

The focus in January was primarily on the transition of the One Stop Centers. With two new service providers coming into the system to operate the One Stop Centers in the system. MCS would be the service provider for the One Stop Center in Garden Grove (north) and the military base office in Los Alamitos. The KRA Corporation would be the service provider for the Irvine One Stop Center (south).

The One Stop Operator was focused on a smooth transition of services for the centers and their customers. This would be accomplished through the coordination of service provider staff and facility operations. Fortunately, the new service providers retained 95% of the previous service provider's staff and continued to provide services in the same One Stop Center facilities. So, the customers really didn't notice a difference in the services offered within the centers. The One Stop Operator was also focused on the workforce partners involved in the One Stop Centers and their continued involvement with the center customers and establishing relationships with new service providers. The advantage here is the workforce partner's staff did not change. They had been working with previous service provider staff so it was business as usual for them.

We should mention that the One Stop Operator was involved with both the new service providers' contract negotiation meetings with the County. He was able to see first-hand some of the contract requirements in terms of activities required. And in terms of staffing plans which included management oversight. These meetings were beneficial in the planning process for the One Stop Centers service provider transition.

The month of February focused mainly on facilitating the first quarterly One Stop Center Partner Meeting for the new service providers. The current partner list was reviewed to ensure a good representation of workforce partners within the community were on the list. And to add or delete contacts where necessary. The agenda for the meeting was prepared (see attached). The agenda first focused on introducing the new service providers to the partner community. And then introduced some existing and new providers who presented information to the group. Then the meeting focused on the first phase of cross training. Each agency in attendance was asked to provide basic information about their services and customer eligibility requirements. We should mention that partners were also invited to bring written materials about their programs to share with the group.

Innovative. Exceptional. Trusted.

K R A

The One Stop Operator is starting to prepare for an electronic referral program that will be available on the EDD CalJOBS System very soon. The ability to utilize the referral system properly will require cross-training amongst partners in the system.

The Partner meeting was very well attended with about 95% partner representation. Some new Representatives to partner agencies were identified and added to the partner list. We had a small gathering of the new service providers after the partner meeting to exchange views on the quality of the meeting and ideas for improvements.

Various follow-up activities were performed after the meeting with new partners. Most of this activity included making introductions for shared services or formalizing customer benefits.

The month of March continued to focus on workforce partner collaboration. And also an effort to find partners that would be interested in having a presence in the One Stop Centers and becoming a paying tenant within the Center. This is an attempt to offset some of the cost in running the Center. This has been a continuous effort since January. We have had two stakeholders take additional space and one new sub-tenant. The One Stop Operator continues to be involved in One Stop Center services, service providers and partner collaborations. He visits the centers weekly and observes center operations and makes recommendations whenever needed.

There was no County SDP performance evaluation meeting held within this quarter.

The focus for the next quarter will be workforce partner MOU completion.

Innovative. Exceptional. Trusted.

The Orange County One-Stop Center is a proud partner of America's Job Center of CaliforniaSM network.

The KRA Corporation
One-Stop Operator Quarterly Report

Fourth Quarter 2019 - One Stop Operator (OSO) Quarterly Report

General Comments:

The OC OSO has been involved in one of the most important State program enhancements in the last 5 years. The State EDD Office has been developing an electronic partner referral and tracking system that would be provided as an add-on program on their CalJOBS system. This partner referral program will be the first electronic attempt to track and file client services shared by the one stop systems and their mandated partners. The program will be another process in future partner MOU agreements in regards to how partner collaboration efforts will not only be defined but tracked and quantified as well. A CalJOBS Governing Council was assembled in January of 2019. The OSO has a Representative on the Council and has the ability to provide programmatic concepts and function capabilities input. The OSO has also been able to join mandated one stop partners in focus groups to develop program positives and negatives based on each partner's programmatic procedures, capabilities and performance measures. The program development plan has already entered an IT phase of development. The program will track in CalJOBS how each individual one stop customers can receive services from various agencies. We can foresee how future one stop partner meetings will have an administrative report discussion as part of each meeting. The OSO is presenting the progress of the electronic system at all OC Stakeholder and Partner meetings.

The OSO has also been involved with County Staff in collecting One Stop facility data that will be utilized to establish one stop partner cost sharing formulas within partner MOU agreements. And in the recruitment of additional tenants for the One Stop Centers.

One Stop System Meetings:

Stakeholder Meeting Irvine - April 10, 2019

Facilitated by: David Baquerizo KRA OSO services

Representatives from each of the career services providers (KRA and MCS) had the opportunity to present.

Innovative. Exceptional. Trusted.

Maple Lawn Corporate Center | 11830 West Market Place, Suite M | Fulton, Maryland 20759 | (301) 562-2300 phone | (301) 495-2919 fax | www.kra.com

Both service providers gave a brief overview of their first 3 months of activity within the one stops. Mostly referring to continuation of previous one stop contractor's employees staying on with new service providers. And how that assisted with smooth transition for customers. Both service providers were also deeply involved in the development of regional job fairs in their individual areas. They also confirmed a good collaborative relationship continues with One Stop partners like EDD and DOR.

Chris Zavouris from County Staff was in attendance at the meeting. He was there to talk about the upcoming MOU partner agreements. He basically talked about the framework of the next phase of MOU's and how they may differ from phase I and II. And timeframes of the MOU processes and expectations for completions.

The EDD Manager in attendance talked about the good relationship that they have had with the current service provider staff in the past and how it continues under the new service providers. She also talked about some staffing changes that were expected to occur in the near future.

The DOR was able to update the group on some staffing changes as well. She was also able to explain how different DOR groups perform different activities. Then she gave a breakdown on how their Orange County offices cover different geographic areas. She then talked about a new apprenticeship program which has been introduced to serve youth with disabilities in the area.

One Stop Quarterly Partner Meeting Garden Grove - May 15, 2019

Facilitated by: David Baquerizo - KRA One Stop Operator Services An update of OC

AJCC One Stop Centers Activities was provided by: A KRA Corporation

Representative - Michelle Foster

A MCS Representative - Kimberly May

The OSO will always attempt to invite specific partners with new or in-demand programs in order to spotlight their services and access to them.

At this partner meeting he had invited staff from OCAPICA and Working Wardrobes:

K R A

The staff from OCAPICA presented information about their Covered California Program and a Well (ness) program. Both of these programs could be accessed by any of the partner agencies in the room and were well received.

The staff with Working Wardrobes presented information about their Career Success Institute and the vast array of programs and services to special groups like veterans that they offer.

After the presentations - members from all the agencies at the meeting were able to present a one minute commercial (which really was about 5 to 10 minutes) about their agency and their services and eligibility requirements. This was very useful to all in attendance and is setting the scene for the soon to come electronic partner referral system.

Before adjourning news and events were announced by all in attendance and the next meeting date was announced.

The partner meeting was well attended (about 30 in attendance) but the OSO will make an effort to bring in more community agencies for every meeting in the future. We figure the more agencies involved the more services available for our customers.
